

CAMPUS UPDATES

Hello our wonderful families,

We hope everyone is doing well and staying healthy.

If your student is coming to classes on campus Admin would like to remind you of a few things as we navigate this new world of hybrid learning.

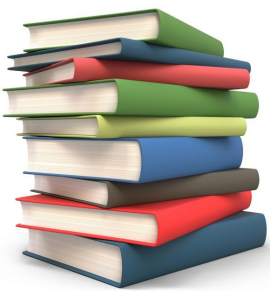

- Please re-watch this [Safety Video](#). It is important that you and our students know what is expected of them.
- The attestation form needs to be filled out each morning before classes start: [Tyee Student Attestation Form](#). If your student(s) answers "Yes" to any of the attestation questions, please **do not** send your student(s) to school.
- Please do not drop off your student until 8:00am when we are fully able to greet your student(s) and be prepared for the day.

Your help in doing the above will ensure we are all doing our part to stay safe and healthy.

We are so happy to have students on our campus again!!!

We love our students!
