

### October Superstars

#### 9th Grade – Jace Yagin

*nominated by AJ Campanelli*

Jace works really diligently in class and does not give up when stuck.

#### 10th Grade – Andrea Parada

*nominated by Hector Farias*

Andrea has an outstanding attitude, as she helps before and after class to set up the classroom, as well as demonstrating a good example to her peers.

#### 11th Grade – Francheska Bautista-Resendiz

*nominated by Desiree Robinette*

Francheska meets any interaction with positivity and warmth. More than that, she is deeply thoughtful and engaged in analyzing texts and her ideas support the learning of others.

#### 12th Grade – Elvey John

*nominated by Jenn Truong*

Elvey has impressed me so far this year with her level of motivation to achieve. She has shown a great level of perseverance over the last few years and has so many reasons to be proud of herself. Her approach to school has shifted for the better, and it is translating to academic successes in the classroom. In her quest to make the most of this year, she can be heard motivating and supporting her friends and peers along the way.

#### Staff - Celia Koehler

*nominated by Eric Henry*

Celia is a backbone of our school who keeps our school moving forward with little glamour. Her care, support, and empowerment of the students is obvious to everyone, her steady demeanor in an exhausting role is exemplary, and I am particularly grateful for her collaboration with me this quarter.

## Hello Tyee Community!

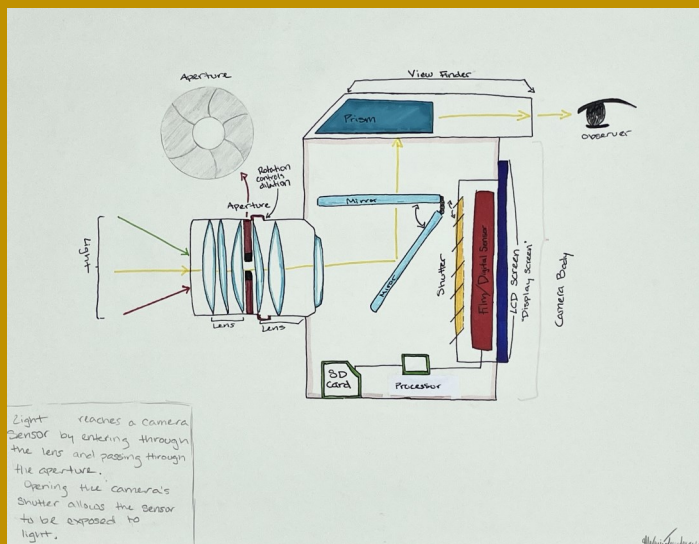

As a measure of safety, **Tyee students will no longer be able to wear ski masks while on campus.** While these are great during the cold weather, we are finding it increasingly difficult to recognize and identify students who have their face mostly covered by this type of mask. If you have any questions, please feel free to call the school at (206) 631-6400. Go Titans!!

## PHOTOGRAPHY

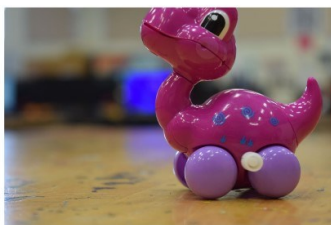

Mrs. Pfeilschifter's Photography and Publishing students learned about DSLR camera parts and how to control the basic camera functions in order to create correctly exposed and focused photos. Then they learned how changing the ISO affects changing the shutter speed, with the goal to create matching exposures for different combinations.

## Tyee High School is on the Highline Schools Bond

In November, Highline Public Schools is asking voters to consider a bond that will provide improvements to schools across the district.

This bond will rebuild three schools: **Tyee High School**, Evergreen High School and Pacific Middle School. It will also fund critical improvements, like roofing, painting, carpet and emergency repairs — at other schools. If passed in November students will move into the new, replaced **Tyee High School in the fall of 2025!**

This bond is **not expected to increase taxes for most homeowners**, due to expiring school taxes and a decreasing tax rate.

**Proposition 1: Highline Schools Bond** will continue Highline's commitment to replace our aging school buildings with schools built to today's safety standards, equipped for today's learning.

Voters will find Proposition 1 on the November ballot. [Learn more about the bond.](#)

## El Bachillerato Tyee está en el bono de las escuelas de Highline

En noviembre, las Escuelas Públicas de Highline les estará pidiendo a los votantes que consideren el bono que proporcionará las mejoras en escuelas del distrito.

Este bono construirá tres escuelas: **el Bachillerato Tyee**, el Bachillerato Evergreen y la Escuela Secundaria Pacific. También financiará las mejoras críticas como los techos, pintura, alfombras y reparaciones de emergencia en todas las escuelas. ¡Si pasa en noviembre, los estudiantes se mudarán al nuevo **Bachillerato Tyee en el otoño del 2025!**

No se espera que este bono aumente los impuestos para la mayoría de los propietarios de viviendas, debido al vencimiento de los impuestos escolares y una tasa impositiva decreciente.

**La proposición 1: Bono para las Escuelas de Highline** continuará el compromiso de Highline de reemplazar nuestras viejas escuelas con instalaciones modernas y seguras, equipadas para el aprendizaje del siglo XXI.

Los votantes encontrarán la proposición 1 en la boleta de noviembre. [Aprenda sobre el bono.](#)
