Dear Tyee Students and Families,

We are so very saddened by the brazen and horrendous acts of violence and hatred toward Black community members in Buffalo, NY and Taiwanese-American community members in Los Angeles, CA over the week-end. We know that these incidents and the feelings evoked by them are also affecting our students and families.

Students, if you need support as you process these events, please reach out to your counselor or an administrator.

Parents, we are here for you too. If you need support in processing these events with your students, here is [a resource](#) with helpful information about talking with children about a shooting. Please don't hesitate to reach out to us at 206-631-6400 if you need any further support.

We are in this together.

Dress & Appearance

As the weather gets nicer, we want to ensure the classroom environment remains conducive to learning.

Highline Public Schools and school staff believe that learning best occurs in a positive atmosphere. To that end, we expect all of our students to help create a positive environment. **Appearance expectations will be enforced throughout each campus. Appearance that causes disruption of the educational process or presents health or safety issues will not be allowed. Please dress in such a manner so as not to detract or distract from student learning.**

The following appearance expectations are for all Highline schools and activities:

- Shoes are to be worn at all times.
- Clothing (including hats) or tattooing with inappropriate language or any reference to tobacco, drugs, alcohol, gang affiliation (including bandanas) or sexually suggestive content is not allowed.
