## Dress & Appearance

Tyee Families and Students,  
Spring is in the air!

As the weather gets nicer, we want to ensure the classroom environment remains conducive to learning.

### DRESS AND APPEARANCE:

Highline Public Schools and school staff believe that learning best occurs in a positive atmosphere. To that end, we expect all of our students to help create a positive environment. **Appearance expectations will be enforced throughout each campus. Appearance that causes disruption of the educational process or presents health or safety issues will not be allowed. Please dress in such a manner so as not to detract or distract from student learning.**

The following appearance expectations are for all Highline schools and activities:

- Shoes are to be worn at all times.
- Clothing (including hats) or tattooing with inappropriate language or any reference to tobacco, drugs, alcohol, gang affiliation (including bandanas) or sexually suggestive content is not allowed.
- Beachwear is not outerwear and should not be worn at school.

You can refer to [Procedure 3224](#) for Student Dress with a more detailed outline of expectations for Highline School District. You can also review the policy [here](#).

We just want to be clear in our expectations for all students in order to keep a positive learning environment going.

Your support is greatly appreciated.

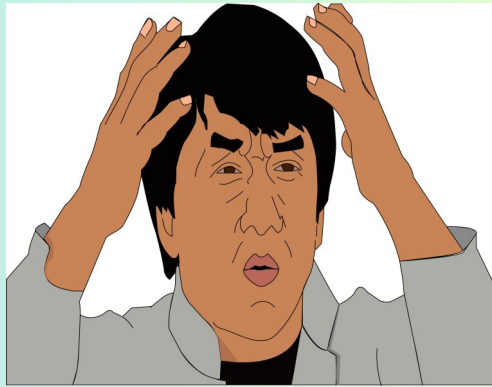

Please feel free to reach out to Administration with any questions or concerns.

Thank you so much for your support.
