Tómese 60 segundos: **AYÚDENOS A APOYARL**

¿Tiene el conocimiento necesario para comprender las calificaciones y el avance escolar de su estudiante?

Escanee el código QR de arriba o visite el enlace. Solamente toma 60 segundos! La encuesta es anónima

60 giây để: **GÍUP CHÚNG TÔI HỖ TRỢ QUÍ V**

Quý vị có gì cần hiểu biết về điểm và học tập của con em quý vị không?

Quét (scan) mã số QR ở trên hoặc vào link. Chỉ cần 60 giây! Tham khảo thì không để tên

Qaado 60 sekan: **NA CAAWI KU TAAGEERA**

Ma haysaa waxaad leedahay u baahan in la fahmo buundooyinka ardaygaaga iyo barashada?

Baadh koodka QR ama booqo xidhiidhka waxay qaadataa 60 ilbiriqsi kaliya! Survey is anonymous.

SATURDAY SCHOOL MARCH 18!!

Students can come to Tyee on Saturday, March 18 to get help with homework, re-assess for a class (if prearranged with teacher), use the quiet space to study, or just read a book. There will be at least two Tyee staff members present to work with students. The library will be open from 9-12 on each of these days, and the students will get pizza!

The next Saturday Schools will be on April 29 and June 3.

Tyee's After-School Homework Center on Tuesdays and Thursdays in the library 2:45-4:00pm will continue every week! On these weeknights an activity bus is available to take students home at 4:30pm.

ATHLETICS

For up to date schedules, rosters and sports information, please visit our athletics website: <http://www.kingcoathletics.com/index.php?pid=0.7.0.0.204>

FinalForms is how we sign up for all athletic activities at Tyee. Instructions for signing up: <https://tyee.highlineschools.org/student-life/athletics/regISTRATION>

Students and families can sign up on Finalforms which is accessed through both the students g.highlineschools.org account and through the email linked to ParentVue.

Both accounts need to be accessed as the paperwork for the student is different than the paperwork for the parent/guardian.

If you are interested in signing up for a sport or have questions, please reach out to Clark Colvin, our Director of Athletics.

Clark Colvin, Director of Athletics

Office: 206-631-6434

clark.colvin@highlineschools.org

Above: The families of our Tyee Girls Basketball team gathered to celebrate their winter season during the multicultural potluck dinner banquet. Special awards were given and all participants were recognized. A special send-off for our three seniors ended the night. Thanks for a fun time, families!

Below: Hana Osman, far right front row, represented Tyee on the Girls Swim Team this fall!

PHOTOGRAPHY

Photography students created photos for a Red 2/14 assignment. The goal was to show variety and composition techniques and ability to meet a deadline, by creating photos of 14 different red items, with two variations of each subject, and include at least two composition techniques.

2023 CHANGEMAKER CHALLENGE

T-MOBILE
FOUNDATION

Youth Innovators with Big Ideas, Apply Now!
T-Mobile Launches the [Changemaker Challenge](#)
to Help Young People Change Communities --
Changemaker Challenge, a nationwide contest that gives young leaders an opportunity to take their innovative ideas for creating a more inclusive, equitable and sustainable future to the next level.

Current 10th & 11th graders --
[Aeronautical Science Pathway](#) (ASP) is a FREE program for students who want to become professional pilots or work in drone operations, air traffic control, airport management, airline dispatch, or any other aviation operations management fields.

SUMMER OPPORTUNITIES

Internships, College & Career Programs

bit.ly/tyeesummeropps

UW Nurse Camp (due 3/15) -- This is a **free week-long camp** geared towards increasing access and opportunities in nursing to a more diverse population of high school sophomores and juniors who are at least 16 years of age by the first day of camp. (Essay and Recommendation required)

The Center for Neurotechnology (CNT)

Young Scholars Internship (due 3/15) --- High school students receive an introduction to neuroscience and neural engineering, neuroethics, scientific communication, and the latest developments in brain-computer interfaces. Participants have the opportunity to tour CNT partner labs in departments including Computer Science and Electrical Engineering.

The graphic for UW Nurse Camp features a large purple 'W' logo with the text 'Nurse Camp' in purple. Below the logo, it says 'APPLICATIONS DUE 3/15'. To the right is a photo of a young woman in a nursing uniform. Below the logo is a photo of two young women in lab coats working with a medical model. To the right of the photos is a bulleted list of details about the camp.

UW Nurse Camp

APPLICATIONS DUE 3/15

- For 10th & 11th graders interested in Nursing
- Free week-long camp at UW-Seattle
- Geared towards increasing access and opportunities in nursing to a more diverse population

Visit the College & Career Center for help applying!

PAID: Fred Hutch Cancer Research Center (due 3/31) -- The Summer High School Internship Program (SHIP) is a competitive, eight-week, full-time paid internship for rising 12th graders. The program is specifically designed for students from backgrounds underrepresented in biomedical science.

Accounting Career Awareness Program (due 4/1) --- If you are interested in accounting and business, enrolled in high school in Washington, and will be a sophomore, junior or senior next year, Seattle ACAP's summer Residency Week program is for you! Applicants must be students of color, with priority given to those that are considered underrepresented in the accounting field: African American/Black, Hispanic/Latinx, and Native American.

Seattle Children's Research Institute: Summer Internship (due 4/2) --- Students will learn how to work in a research laboratory environment and learn about topics including biochemistry, immunotherapy, gene editing and infectious diseases. Students will also participate in workshops on college readiness and career exploration. These programs provide students with a solid foundation for a future career in biomedical research. There is no cost to participate.

PAID: RadioActive Radio Journalism Internship (due 5/9) --- RadioActive is a fun, challenging, and hands-on summer workshop, teens get paid to learn radio journalism and storytelling skills, build confidence, and work with others while producing a true radio story and podcast episode.

Na-Ha-Shnee Native American Health Summer Internship --- two-week summer camp at Washington State University Spokane for Native students. The program encourages youth to try out a career in the health sciences by providing hands-on learning experiences taught by healthcare providers, faculty at WSU Spokane, and health sciences college students.

Red-Tailed Hawk Summer Program (due 7/8) --- RTH Aviation Day Camp is a hands-on exposure to the world of aviation held at Boeing Field each fourth Saturday in July. We introduce underrepresented students in the Puget Sound area to the world of aviation. We provide them with basic pilot knowledge, provide hands-on STEM experiences, teach aviation history, and provide discovery flights in general aviation aircraft.

Girls Who Code --- Girls & Non-Binary students gain the computer science skills they need to make an impact and prepare for tech careers in our free, virtual summer programs. Summer program participants get exposure to tech jobs, meet leaders in tech careers, and find community in our supportive sisterhood; all while investing in their future self.

PAID: Microsoft Discovery Internship --- Discoverers will participate in a curriculum designed to introduce core computer science concepts, develop career readiness skills, gain mentorship with Microsoft employees, while gaining hands on project experience. Discover how your passions and interest in technology/STEM can evolve into a career in tech at Microsoft and beyond. This paid, 4-week summer program offers an exciting opportunity to get valuable experi-
